the previous year. As the higher rates have an implication on the quantum of urea subsidy, the finalisation of the 1996-97 contracts merited detailed scrutiny by different agencies of the Government and took more time. The handling agents have since been appointed at all the ports and unloading has already commenced. No action is being contemplated against anyone in the matter.

Determination of Staff Strength in Kendriya Vidyalayas

667. SHRI PARAG CHALIHA:
SHRI GOVINDRAM MIRI:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that staff strength is determined every year in respect of every Kendriya Vidyalaya in conformity with a set of norms that exist;

(b) if so, what are the details of these norms;

(c) whether there are large number of teachers who have been working in Kendriya Vidyalayas without existence of their respective vacancies there;

(d) if so, what are the details thereof Vidyalaya and category wise; and

(e) what is the justification thereof in each case?

THE MINISTER OF STATE IN THE DEPTT. OF EDUCATION IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MUHI RAM SAKIA): (a) and (b) Yes, Sir. Details of the norms are at given in the enclosed statement *(see* below).

(c) to (e) The staff in various grades are posted to each Kendriya Vidyalaya according to the sanctioned strength which is determined each year based on the enrolment of students/ courses of studies. If certain number of staff are temporarily rendered surplus because of the change in sanctioned strength due to decrease in classes/sections, upgradation, transfers, promotions and delay in joining new positions etc., they are posted/adjusted against available vacancies. This is a continuous process. There is no surplus to the overall sanctioned strength of Sangathan.

Statement

Determination of Staff Strength in kendriya Vidyalayas

I. The number of teachers in primary and secondary departments are estimated by dividing the total period of a Vidyalaya
